Monthly Theme: God Gives New Life

April is a fun month with the turning to Spring and new life coming about. This month, our classrooms will focus on the theme of Creation. They will learn how God created the world, people, animals, plants, and space.

They will also learn about the most important person God created, the one who died for our sins: Jesus! Easter is such a special time to celebrate the one who saved us from our sins, who is so special to our hearts. The kids will spend time learning about our Almighty God and the things He has done for us.

We have some fun special events coming up this month as well! The Toddler and all Preschool classrooms will get caterpillars this month that they will watch turn into butterflies. The Preschools will also take a field trip to the Palouse Discovery Science Center to learn about space and the planets that God created.

National Poetry Month

April is National Poetry month. The rhymes and cadence of poems are great learning tools, as well as being just plain fun. A favorite children's poet is Shell Silverstein who has written many works, including the following piece:

Hug 'O War

by Shell Silverstein

I will not play at tug o' war.
I'd rather play at hug o' war,
Where everyone hugs
Instead of tugs,
Where everyone giggles
And rolls on the rug,
Where everyone kisses,
And everyone grins,
And everyone cuddles,
And everyone wins.
